Dear Parents;

The State of Florida requires that all kindergarten, first, third, and sixth graders have their vision and hearing screened. All Saints has scheduled the screenings for October 24th & 25th. The vision screening will include testing right and left Visual Acuity, Stereoscopic Discrimination and Color Definition. This screening will be done by Mark Blake, a Florida Licensed Optician with Specs & Winks. I highly recommend this thorough eye screening especially with the use of technology today. The cost of the screening will be \$5.00. The hearing screening will be done by me at no cost to you.

The health of your child's eyes and ears are vital to success in the classroom. Please complete the bottom of this form and return it to school with your child along with the \$5.00 payment to Specs & Winks.

If you have any questions please feel free to contact me at lblack@allsaintsjupiter.org

Sincerely,
Lynn Black, RN
