Dear Middle School Parents and Students,

We are quickly approaching December and the end of the first semester. We know that there will be a number of events happening with and for the students during this time. Academically, we are finishing up our first semester and the students will be taking midterm exams. The exams will be on Friday, December 15th, Monday, December 18th and Tuesday December 19th. Students will sit for 2 exams each morning, have lunch, then attend review classes for the upcoming exams and specials class in the afternoon. The exams are 1.5 hours long. It is imperative that students are in school the entirety of the day so to best prepare for the exams. Below is a schedule of which subject exams will be given on each day by grade. Please refer to it when helping your child plan their study schedule. One week before the exam the teachers will provide the students with review work for their exam.

- Friday- Science and Social Studies,
- Monday Math and Religion,
- Tuesday ELA and Spanish

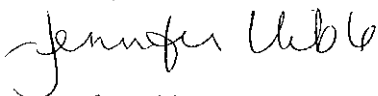

7th Grade:
