

THE SUNSHINE TOY DRIVE

Hello! Our names are Leanna Overbeck and Katelyn Sheehan, and we are part of the National Junior Honor Society at All Saints Catholic School. Each year, members are responsible for creating a service project that will benefit the community. The service project we are running is called "The Sunshine Toy Drive" which will benefit both children at Palm Beach Children's Hospital at St. Mary's Medical Center and the Nicklaus Children's Hospital at Jupiter Medical Center. Our goal is to bring a smile to children at both hospitals and to help us grow closer as a community.
