Dear 8th Grade Parents,

The Math EOC's are on May 11th-12th at the Palm Beach County District offices on Forest Hill. The tests start at 8:30. Mrs. Ewing has been allowed to use 29 computers at that time. Fortunately for us that is the number of 8th graders registered. We have been asked by a number of the students if their parents could drop them off at the offices instead of school and wait for them until they complete the tests on each day. After the tests the students would be required to return to school for the remainder of the day for their final two 8th grade days. Students that choose to take the bus will have to wait until both sessions of the test are complete (this may mean that they will have to wait for an hour and half after their test is complete). Please fill out the form and return it to your math teacher by Friday, April 28th. If the form is not returned, it will be assumed that the student will be driven to and from the testing site by their parent.

Thank you for your attention.

Jennifer Uible
