SEPTEMBER
18TH THROUGH
THE 22ND

LET'S SUPPORT THE KEYS!

Hurricane Irma has significantly affected the Florida Keys. Many of us have spent much time enjoying this amazing part of our state. By donating our left over hurricane supplies, we will be able to help the Keys. All Saints is partnering with a local Keys company who has taken leadership in this and neighboring counties for getting supplies to those in most need.

Items of Greatest Need:

Water	Non-perishable foods
Bleach	Hand sanitizer
Diapers	Feminine products
Toiletries	
Gently used clothes (doesn't matter what size)	

Supplies can be dropped off by the gymnasium in the west parking lot in the morning.
Collection dates are September 18-22.
