***“Catholic Schools: Communities of Faith,  
Knowledge and Service”***

***Please join All Saints in celebrating Catholic Schools Week from January 26 – February 3. This year’s theme is “Catholic Schools: Communities of Faith, Knowledge and Service.” We see the marvelous reality of how All Saints celebrates faith, knowledge, discipline, morals and service toward each other every day. It is in the dedication, integrity and generosity of our Pastors, teachers, staff, administration, board members, parents, and all those who contribute to supporting All Saints. It’s in the compassion of our students when they help one another or reach out to assist our less fortunate brothers and sisters. It’s in the life-long values that our students will continue to embody long after they have left our doors. Please share in our enthusiasm as we focus on the different aspects of how “Catholic Schools: Communities of Faith, Knowledge and Service” adds to the spirituality across our Nation this week:***
