

Santa Shop

December 7th , 8th and 9th

We are happy to announce All Saints will be hosting the Santa Shop this year for the children. It will look a bit different, but will still bring excitement during the holiday season.

In order to offer this special event, many safety features have been set up. The event will be in the gymnasium, and each class will visit separately at a specified time. As children enter the gym, they will sanitize their hands and walk in a single line. There will be multiple tables set up with a sample of the merchandise displayed. Children can then choose what he/she would like. The volunteers at each table will put the items in a bag and the child will then pay for all the items at the end of the line. The gifts will not be wrapped at school. Unfortunately, no parents, other than a few volunteers, can attend the Santa Shop with the children.

To minimize contact, **only checks may be used for payment.** Please make all checks payable to ASCS, with the students name in the memo. The volunteer will write in the correct dollar amount and send home a copy of the check and receipt in your child's bag. On the envelope your child brought home, there is a gift list where you can check who you would like your child to buy gifts for with a dollar amount to help us assist your child with making their choices. You are also able to write the check for a specific amount, however, please know if you do, we are unable to give change; so anything extra would be a donation to the school.

We appreciate your understanding and patience as this comes together.

Merry Christmas to all!

Melissa Yorty
