

# TAKE FLIGHT!

# JOIN CUB SCOUTS

## ADVENTURE IS WAITING!

### SCOUTING IS FUN WITH A PURPOSE

As a parent, you want your child to grow-up to be a person of worth, a self-reliant, dependable, and caring individual. Scouting has these same goals in mind. Since 1910, scouting has been weaving lifetime values into fun and educational activities designed to assist parents in strengthening character, good citizenship, and physical fitness in youth. In Cub Scouting, children learn ideals like honesty, bravery, and respect. These values help children (boys and girls) make constructive decisions throughout their lifetimes and give them the confidence they need to grow and develop.
