

October 6, 2022

Dear Parents,

The State of Florida requires that **all kindergarten, first, third, and sixth graders** have their vision and hearing screened. All Saints Catholic School has scheduled the Vision screenings for Monday October 24, 2022. The Vision screening will include testing right and left Visual Acuity, Stereoscopic Discrimination and Color Definition. A Florida Licensed Optician with Eye and Ear of the Palm Beaches will do this screening. I highly recommend this thorough eye screening especially with the use of technology today. The cost of the screening will be \$5.00. The hearing screening will be done by me at no cost to you and will be conducted in October and November.

The health of your child's eyes and ears are vital to success in the classroom. **Please print this form, complete it, and return it to school with your child along with the \$5.00 payment to Eye and Ear of the Palm Beaches. If you have more than one child in these grades, please send a separate payment and form.**

If you have any questions please contact me at 561-748-8994.

Debi Lynch LPN
School Nurse
All Saints Catholic School

Yes I would like my child to participate in the Vision Screening (Please include a check for \$5 payable to Eye and Ear of the Palm Beaches)

No I do not want my child to have their vision screened
