

Dear ASCS Families,

We are delighted to announce that Teacher Appreciation Week will be celebrated from May 5th to May 9th at ASCS. This week presents a wonderful opportunity for us to express our gratitude and admiration for the dedication and hard work our teachers put forth every day to nurture and educate our children. While we celebrate our teachers each year during Catholic Schools week, many of you have asked what we can further do for the National week of Teacher Appreciation and we are answering that call this year!

Teachers play an invaluable role in shaping our students' lives and futures. Their unwavering commitment to fostering a positive learning environment, their innovative teaching methods, and their relentless support for each student's growth truly deserve our recognition and appreciation.

Throughout the week, we have a schedule for snacks and meals to honor our teachers. We encourage families to participate and show their support in any way they can. Whether it's through heartfelt letters, thoughtful gifts, or simply a kind gesture, every act of appreciation will mean the world to our educators. Let us come together as a community to celebrate and appreciate our teachers for their extraordinary contributions to our children's education. Your participation will not only uplift our teachers but also reinforce the strong bond between our families and the school.

Thank you for your support and cooperation in making Teacher Appreciation Week a memorable and impactful event.

Sincerely,  
Angela McCracken  
ASCS Home & School Association
